

Submission form | THV | Writing about Place

Please complete this form and e-mail it to info@teachingthehudsonvalley.org by midnight, Monday, November 7. If you are submitting writing from multiple students, feel free to complete just one form and attach a list with names and titles of their submissions. Please attach student writing as individual Word documents or PDFs. Writing or artwork pasted into the body of an email will be returned. Please do not submit more than three pieces about the same place.

Prize details. One student each from an elementary, middle, and high school will be awarded first place. His/her class will receive up to \$800 toward a trip to the place written about. After the trip and upon submission of receipts or other appropriate documentation of expenses, the Hudson River Valley National Heritage Area will reimburse the school or pay a transportation provider and/or site. **Payment cannot be made in advance.** To avoid disappointment, please confirm that your school will accept these terms. If you have questions, please contact us.

About the student(s)

Name _____

Grade or age _____ County of residence _____

School name & address _____

Title of piece & name of place written about _____

About the submitter

Name _____

Relationship to student _____

School or organization if different than student _____

Permissions

All writing will be considered for publication on THV's blog and will be shared with staff at the place written about. Your signature below shows that you are authorized to give permission for publication and accept the field experience offered should your student win.

Teachers: Please comply with any relevant school or district policies. If your district or school requires additional or alternative permissions, please list them below and attach signed copies.

I certify that all writing submitted is the work of the student named. I have read and understand the prize and publication details. If the student wins a trip, I agree to help with the logistics.
